PROFESSIONAL SUMMARY

Results-driven **BTech Information Technology student (2023–2027)** with practical experience in **software development, web technologies, Python programming, and AI/ML fundamentals** through internships, hackathons, and project-based learning. Skilled in designing responsive web applications, solving real-world programming problems, and building technology-driven solutions. Seeking opportunities in **Software Development, Full Stack Engineering, and IT roles**.

EDUCATION

Kalasalingam University

Bachelor of Technology (BTech) – Information Technology | 2023 – 2027

TECHNICAL SKILLS

- **Languages:** Python, JavaScript
 - **Web Technologies:** HTML, CSS, ReactJS, Flask
 - **Core Concepts:** Data Structures & Algorithms, Machine Learning Fundamentals, Data Visualization
 - **Tools:** Git, VS Code, REST APIs
-

INTERNSHIPS

Prodigy InfoTech – Software Development Intern | Remote

Worked on project-based software development tasks and strengthened coding, debugging, and problem-solving skills.

Oasis Infobyte – Web Development Intern | Remote

Developed responsive web projects using HTML, CSS, and JavaScript.

CodSoft – Web Development Intern | Remote

Built frontend web applications with focus on UI design and responsive development.

Cognifyz Technologies – Python Development Intern | Remote

Implemented Python-based problem-solving and backend logic development tasks.

PROJECTS

Fashion Recommendation System | ReactJS, Flask

Developed a recommendation-based web application with prediction output, backend API integration, and responsive UI.

Student Grade Calculator Web Application | HTML, CSS, JavaScript

Built a web application to calculate CGPA/SGPA and display student academic records efficiently.

FoodieHub (Hackathon Project)

Designed a solution addressing affordable and nutritious food accessibility for college students.

CERTIFICATIONS & ACHIEVEMENTS

- Python Certification – Great Learning (2024)
 - Participant – Innovate KARE 24-Hour Hackathon
 - Participant – AI Vision Challenge 2025
-

STRENGTHS

Problem Solving • Quick Learner • Team Collaboration • Adaptability
