PROFESSIONAL SUMMARY

Motivated 3rd-year BTech Information Technology student with hands-on experience in Python, Web Development, JavaScript, AI/ML basics, and Data Visualization. Skilled in building academic and project-based applications with interest in Software Development, Full Stack Development, and AI/ML. Strong problem-solving ability with participation in hackathons, internships, and practical development projects.

EDUCATION

Kalasalingam University

BTech in Information Technology | 2023 – 2027

TECHNICAL SKILLS

- **Programming Languages:** Python, JavaScript
- **Web Technologies:** HTML, CSS, ReactJS, Flask
- **Core Areas:** Data Structures & Algorithms, Machine Learning Basics, Data Visualization
- **Tools & Platforms:** Git, VS Code, APIs

PROJECTS

Fashion Recommendation System

- Built a recommendation system using ReactJS, CSS, and Flask API integration.
- Implemented file upload, prediction display, and modern UI design.

Student Grade Calculator Web App

- Developed a web application to calculate CGPA/SGPA and display student academic details.
- Used frontend technologies and backend data integration.

FoodieHub – Hackathon Project

- Developed a concept to address affordable and nutritious food access for college students.
- Worked on problem-solving and project presentation in a team environment.

INTERNSHIPS / EXPERIENCE

Prodigy InfoTech – Intern

- Worked on practical software development tasks and project-based learning.
- Improved coding and problem-solving skills through hands-on assignments.

Oasis Infobyte – Web Development Intern

- Completed frontend development internship tasks and practical web projects.

CERTIFICATIONS

- Python Certification – Great Learning (2024)

ACHIEVEMENTS & ACTIVITIES

- Participated in Innovate KARE 24-Hour Hackathon
- Participated in AI Vision Challenge 2025
- Completed coding and web development practice projects

STRENGTHS

- Problem Solving
- Quick Learner
- Team Collaboration
- Adaptability
